W&O RANCH HOLIDAYS

OUR RANCHES

We have travelled extensively across the vast ranging landscape of the American West to seek out the best ranches, which generally fall into three different categories – resort, guest and working ranches. The larger resort ranches tend to offer luxury amenities and a wide range of activities, whilst many of the guest ranches are family

run, creating a more intimate setting. For a real taste of the Wild West, more experienced riders can stay on a working ranch or join in one of our exhilarating horse or cattle drives. Regardless of the ranch you choose, you will be overwhelmed by the warmth, hospitality and the friendliness of the wranglers, making you feel right at home from the moment you arrive.

Why not combine your ranching adventure in the great outdoors with a spot of sightseeing, or shopping in some of North America's most popular cities.

LAS VEGAS

The entertainment and gaming capital of the world - where anything goes and often does. Even in the winter months the desert climate often means warm weather and blue skies.

SAN FRANCISCO

California's City by the Bay is home to the Golden Gate Bridge, Alcatraz and Fisherman's Wharf - the list of attractions reads like an all-star checklist.

LOS ANGELES

Miles of beaches and attractions like Disneyland and Universal Studios make LA the perfect stopover city. Go celebrity spotting in Beverly Hills or shop in some of the world's most exclusive stores.

VANCOUVER

This city may have been home to the 2010 Winter Olympic Games, but it enjoys the most temperate climate of all cities in Canada. Sample cuisine from around the globe and shop in the fashionable areas.

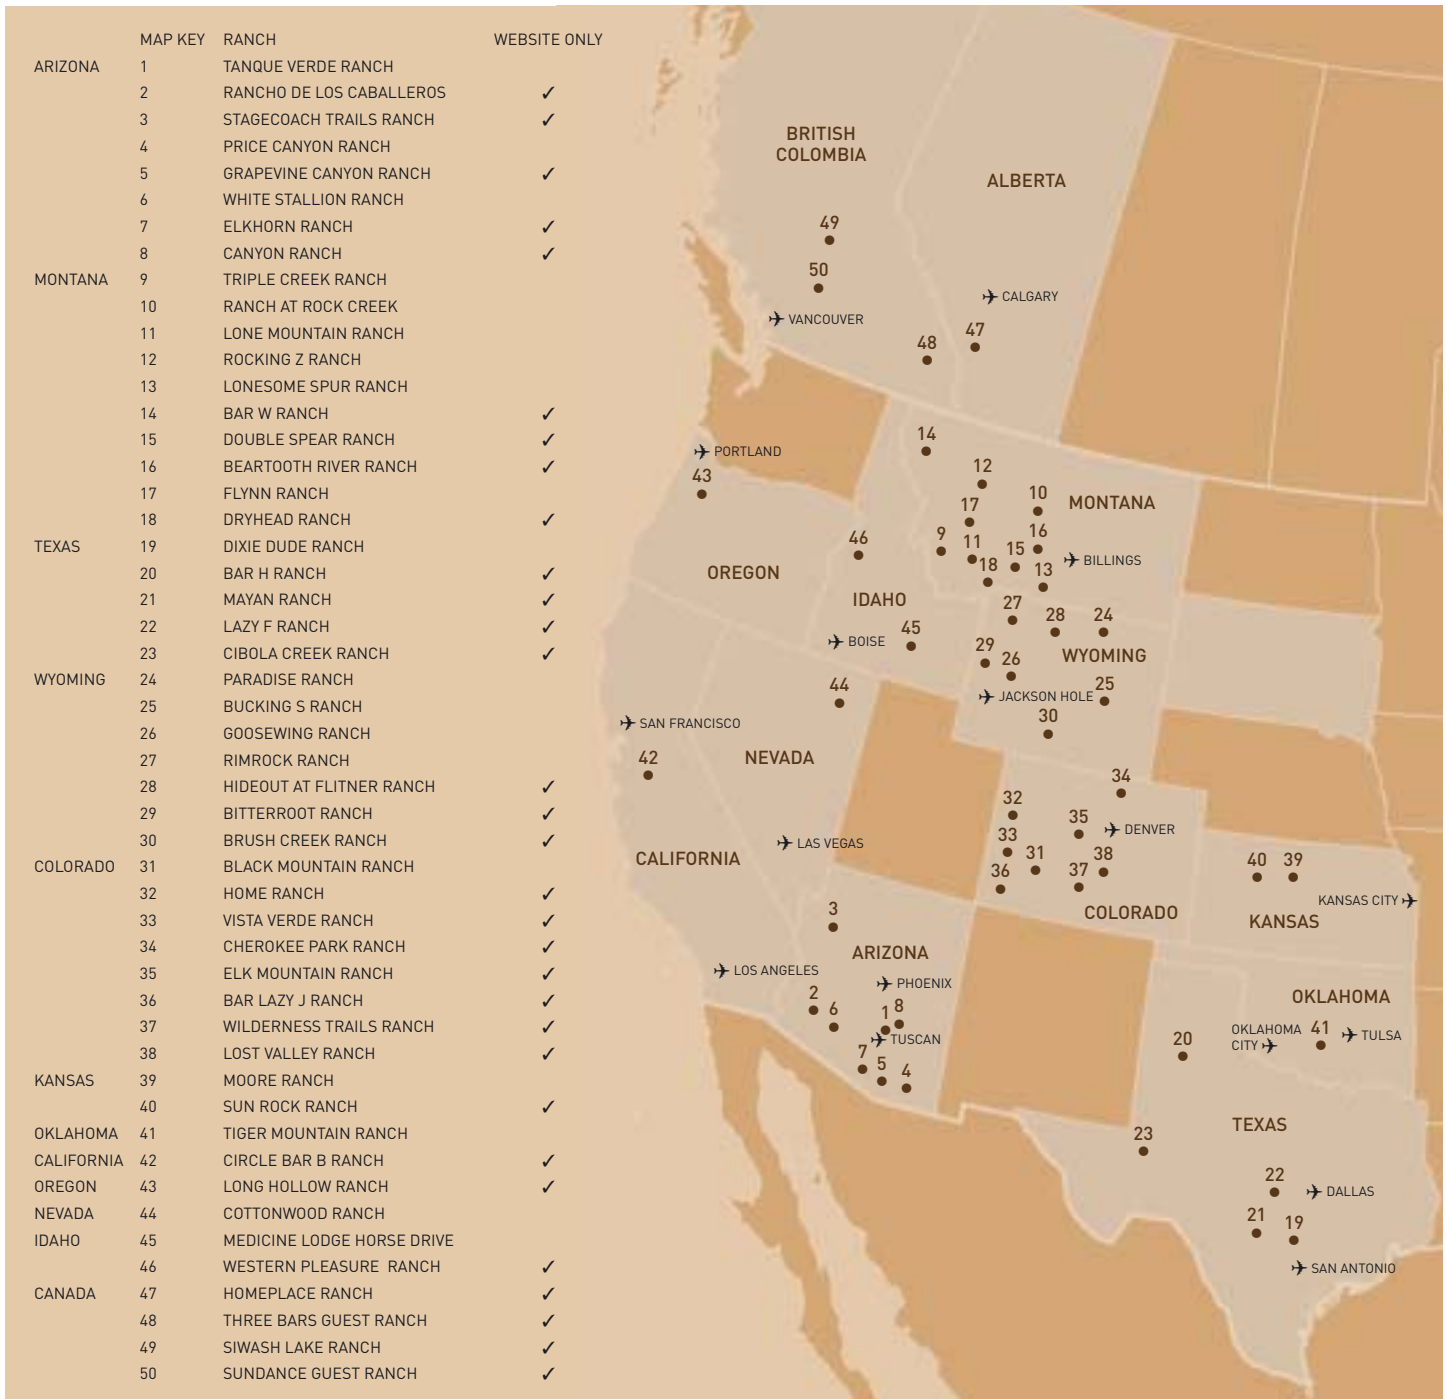

CHICAGO

This cosmopolitan city is a stopover for international flights to the UK and a good value extension to your holiday. Watch professional baseball at Wrigley Field, sample the vibrant restaurants and night life or indulge in retail therapy.
